

IN-HOME COLOR CONSULTATION

Creating calming environments for your family to live in, one color at a time.

Our “In-Home” color consultation provides a service that TPD is well known from northern New England to sunny Florida beach communities. TPD will create a calming and harmoniously integrated environment for your home to enhance the way you live.

While selecting colors for your home can be overwhelming and wrong colors are an expensive and time – consuming mistake, let TPD make the process easy for you. With an in-home color consultation, we will provide you with 1 traveling wall color, 3 room colors, 1 ceiling and trim color and 1 accent color. That is 6 colors for your whole house in one in-home color consultation.

The investment for an **In-Home Color Consultation** starts at \$1,200.00 with additional colors at \$175.00 each.

Let TPD help create a beautiful color pallet for your home. We have the experience to accentuate what is important to your home’s interior and exterior architectural features.
